*\*Subject: Enrol Your Child in Our Football Academy for the 2024/2025 School Year\**

## **\*1. KSFC COMPETITION:\***

This programme is for children who wish to invest more time and effort in competitive football. We offer two training sessions per week, including Thursdays on the 11-a-side Astro pitch at Ark Burlington Dane School, as well as a competitive match on weekends (Saturday or Sunday, depending on your child's age group).

## **THE NEWS**

Dear Parents,

At Kensington Football Club, we firmly believe that sports, and football in particular, play a crucial role in the development and well-being of children. For the 2024/2025 school year, we are delighted to offer our football activity programme for children in the U7 to U16 categories

**\*Our football programme is organised as follows:\***

1. \*KSFC Competition\*
2. \*KSFC Football School\*
3. \*KSFC Football Camps\*

## **\*2. KSFC FOOTBALL SCHOOL:\***

For children in the U7 to U16 categories who wish to:

- Participate in one training session per week.
- Play a friendly match once a month (Saturday or Sunday).
- Participate in several tournaments throughout the season.

### **\*OUR STRENGTHS:\***

- Our training sessions are organised around two main themes:
  - Dribbling and ball control.
  - Passing and receiving.
- Our DNA: Repetition + Correction = Progression, thanks to the precision of instructions and the quality of our coaches' interventions.
- All our exercises, games, and matches allow each child to touch the ball more than 1,000 times per session.
- Tournaments in various formats (1vs1, 2vs2, 5vs5, 9vs9 with goalkeepers) in line with our training principles, so players can apply the skills and actions worked on during training in match situations.
- An evaluation and grading system to track and reward each player's progress.

### **\*3. KSFC FOOTBALL CAMPS:\***

For children in the U6 to U16 categories, our holiday camps provide intensive training during school holidays to perfect individual and team skills, while having fun with additional activities offered at the excellent sports facilities of Ark Burlington Dane School.

**REGISTER NOW :** <https://urlr.me/ksxpW>

### **\*OUR TRAINING METHOD:\***

Based on individual technical mastery, our goal is to enable each child to master the ball perfectly, allowing them to express themselves fully and contribute effectively to their team's collective game plan.

### **\*WHY CHOOSE KENSINGTON FOOTBALL CLUB?\***

We are committed to providing a programme and training content that is coherent and tailored to each child. With our team of qualified and experienced coaches, we organise, lead, and manage training sessions and development cycles that allow each child to progress at their own pace, gain confidence, and develop their full potential.

**THANK YOU FOR YOUR ATTENTION.**
